Auditors' Report

To the Board of Directors of The Federal Liberal Agency of Canada, Chief Agent for the Liberal Party of Canada

We have audited the consolidated statement of financial position of **The Liberal Party of Canada** as at December 31, 2004 and the consolidated statements of operations, changes in net assets (liabilities) and cash flows for the year then ended. These consolidated financial statements are the responsibility of the Party's management. Our responsibility is to express an opinion on these consolidated financial statements based on our audit.

Except as explained in the following paragraph, we conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In common with organizations of this type, the Party derives revenue from contributions and incurs election expenses, the completeness of which is not susceptible of satisfactory audit verification. Accordingly, our verification of revenues from contributions and election expenses is limited to the amounts recorded in the records of the Party and we were not able to determine whether any adjustments might be necessary to contributions, election expenses, excess of revenue (expense) for the year, assets and net liabilities.

In our opinion, except for the effects of adjustments, if any, which we might have determined to be necessary had we been able to satisfy ourselves concerning the completeness of contributions and election expenses referred to in the preceding paragraph, these financial statements present fairly, in all material respects, the consolidated financial position of the Party as at December 31, 2004 and the results of its operations, changes in net assets and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

The Liberal Party of Canada

Consolidated Notes to Financial Statements

For the year ended December 31, 2004

1 Significant accounting policies

Basis of presentation

The Liberal Party of Canada (the 'Party') is a federation composed of the Federal Liberal Agency of Canada and provincial and territorial associations.

As required under amendments to the Elections Canada Act effective for the year ended December 31, 2004, these financial statements of the Party consolidate the financial position and results of operations of:

- the Federal Liberal Agency of Canada
- Nova Scotia Liberal Party
- New Brunswick Liberal Association
- Liberal Party of Canada (Quebec)
- Liberal Party of Canada (Ontario)
- Liberal Party in Manitoba
- Saskatchewan Liberal Association
- Liberal Party of Canada in Alberta, and
- Liberal Party of Canada in British Columbia.

All transactions of the provincial associations that relate to a provincial jurisdiction have been excluded from the results. The Liberal Party of Newfoundland and Labrador and the Liberal Party of Prince Edward Island are substantially dedicated to provincial activities and have no federal expenses and therefore been excluded from these financial statements.

Under the Elections Canada Act, local constituency associations (the "Constituencies") are registered separately with Elections Canada and must file separate financial statements with Elections Canada. Accordingly, these financial statements exclude the operations of the Constituencies. The Yukon Liberal Association, Northwest Territories Liberal Association and Nunavut Liberal Association are registered with Elections Canada as constituency associations and are therefore also not consolidated in these financial statements.

Comparative figures have been included which present the Party's financial position and results of operations for 2003 on the same basis as 2004.

Use of estimates

The preparation of financial statements in conformity with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the dates of the financial statements and the reported amounts of revenues and expenses during the reporting periods. Actual results could differ from these estimates.

For the year ended December 31, 2004

Cash and cash equivalents

Cash and cash equivalents consist of liquid investments with terms to maturity at the date of acquisition of 90 days or less and are recorded at cost, which approximates fair value.

Revenue recognition

Contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

The Government allowance is calculated based on the number of votes the Party received in the general election at an approved rate per valid vote. The allocation is recognized when received or receivable if the amount can be reasonably estimated and collection is reasonably assured.

Contributions and participant fees for conventions and annual general meetings are recognized as revenue when received by the Party.

Membership revenues are recognized when they are received.

Operating payments from Constituencies are recognized when received or receivable if the collection of the amount can be reasonably assured.

Election rebates are recognized in the year of an election, when the amount is determinable and collection assured. The Party's claim for elections rebates is based upon management's interpretation of the applicable regulations in the Elections Canada Act. These amounts are subject to review and acceptance by Elections Canada prior to collection.

Contributed materials and services, except volunteer labour, are recorded at fair value. Except where required by the Canada Elections Act, the value of volunteer labour is not recorded in the financial statements.

Capital assets

Capital assets are recorded at cost and are depreciated, over their estimated service lives, on a straight-line basis as follows:

Buildings	20 years
Print shop equipment	5 years
Furniture and fixtures	5 years
Computer equipment	3 years
Leasehold improvements	5 years

Deferred lease inducement

The value of the lease inducement which consists of leasehold improvements are deferred and amortized over the term of the lease.

2 Financial instruments

Financial instruments recognized in the balance sheet consist of cash, accounts receivable, accounts payable and demand bank loans. It is management's opinion that the Party is not exposed to significant credit risks arising from these financial instruments. Management also believes the carrying value of these instruments approximates their fair values.

3 Demand bank loans

The Party has loans outstanding with various chartered banks at interest rates ranging from the banks' prime to prime plus two per cent. The loans are secured with a general security agreement against assets of the Agency and specific Associations.

4 Capital assets

	2004		2003

7 Contingent liability

The Commission of Inquiry into the Sponsorship Program and Advertising Activities heard testimony about alleged improper activities by Liberal Party officials in the past. There is no claim against the Party nor does the Commission have jurisdiction to rule on questions of legal liability. It is anticipated that the Commission will table its final report in 2005. The report may identify individuals and organizations that have inappropriately received payments as a result of fraudulent claims against the Government of Canada. Given the often-conflicting testimony heard by the Commission, the Party is unable in most cases to determine with certainty if it has been the beneficiary of funds inappropriately received by others. Should it be determined by the Commission that the Party is the recipient of any of these funds; the Party will make a determination as to reimbursing the Receiver-General. Subsequent to year end, the Party voluntarily placed an amount of \$750,000 in trust to facilitate any possible reimbursement.

Rapport des vérificateurs sur le relevé des opérations financières

Au Directeur général des élections, Élections Canada

À la demande de l'Agence libérale fédérale du Canada, nous avons vérifié le relevé des opérations financières préparé conformément aux alinéas et sous-alinéas a), b), c), f(i) et (ii), h), i), j) et k) du paragraphe 424(2) de la Loi électorale du Canada (la « loi ») pour l'exercice terminé le 31 décembre 2004. La responsabilité de cette information financière incombe à la direction de l'Agence libérale fédérale du Canada. Notre responsabilité, conformément au paragraphe 426(1) de la loi, consiste à exprimer une opinion sur cette information financière en nous fondant sur notre vérification.

À l'exception de ce qui est mentionné dans le paragraphe suivant, notre vérification a été effectuée conformément aux normes de vérification généralement reconnues du Canada. Ces normes exigent que la vérification soit planifiée et exécutée de manière à fournir l'assurance raisonnable que l'information financière est exempte d'inexactitudes importantes. La vérification comprend le contrôle par sondages des éléments probants à l'appui des montants et des autres éléments d'information fournis dans l'information financière. Elle comprend également l'évaluation des principes comptables suivis et des estimations importantes faites par la direction, ainsi qu'une appréciation de la présentation d'ensemble de l'information financière.

Comme c'est le cas dans de nombreux organismes sans but lucratif, le Parti libéral du Canada, par l'entremise de l'Agence libérale fédérale du Canada, tire des contributions dont il n'est pas possible de vérifier l'intégralité de façon satisfaisante. Par conséquent, notre vérification de ces produits s'est limitée aux sommes reçues par l'Agence et nous n'avons pu déterminer si des redressements auraient dû être apportés au montant des contributions présentées.

À notre avis, à l'exception de l'effet des redressements que nous aurions pu juger nécessaires si nous avions été en mesure de vérifier l'intégralité des contributions mentionnées au paragraphe précédent, cette information financière donne, à tous les égards importants, une image fidèle des contributions reçues et de l'information financière devant être présentée en vertu de la loi pour l'exercice terminé le 31 décembre 2004 conformément aux alinéas et sous-alinéas a), b), c), f(i) et (ii), h), i), j) et k) du paragraphe 424(2) de la loi.

Rapport des vérificateurs

Au conseil d'administration de l'Agence libérale fédéral du Canada, agent principal du Parti libéral du Canada

Nous avons vérifié le bilan consolidé du **Parti libéral du Canada** au 31 décembre 2004 ainsi que les états consolidés des résultats, de l'évolution de l'actif (du passif) net et des flux de trésorerie de l'exercice terminé à cette date. La responsabilité de ces états financiers consolidés incombe à la direction du Parti. Notre responsabilité consiste à exprimer une opinion sur ces états financiers consolidés en nous fondant sur notre vérification.

À l'exception de ce qui est mentionné dans le paragraphe suivant, notre vérification a été effectuée conformément aux normes de vérification généralement reconnues du Canada. Ces normes exigent que la vérification soit planifiée et exécutée de manière à fournir l'assurance raisonnable que les états financiers sont exempts d'inexactitudes importantes. La vérification comprend le contrôle par sondages des éléments probants à l'appui des montants et des autres éléments d'information fournis dans les états financiers. Elle comprend également l'évaluation des principes comptables suivis et des estimations importantes faites par la direction, ainsi qu'une appréciation de la présentation d'ensemble des états financiers.

Comme c'est le cas dans de nombreux organismes sans but lucratif, le Parti tire des revenus de contributions et engage des dépenses électorales dont il n'est pas possible de vérifier l'intégralité de façon satisfaisante. Par conséquent, notre vérification des revenus de contributions et des dépenses électorales s'est limitée aux montants comptabilisés dans les comptes du Parti, et nous n'avons pu déterminer si des redressements auraient dû être apportés au montant des contributions, des dépenses électorales, de l'excédent des produits (charges) pour l'exercice, de l'actif et du passif net.

À notre avis, à l'exception de l'effet des éventuels redressements que nous aurions pu juger nécessaires si nous avions été en mesure de vérifier si les contributions et les dépenses électorales mentionnées dans le paragraphe précédent ont toutes été comptabilisées, ces états financiers donnent, à tous les égards importants, une image fidèle de la situation financière consolidée du Parti au 31 décembre 2004 ainsi que des résultats de ses activités, de l'évolution de son actif (passif) net et de ses flux de trésorerie pour l'exercice terminé à cette date selon les principes comptables généralement reconnus du Canada.

- Le Parti libéral du Canada en Alberta et
- Le Parti libéral du Canada en Colombie-Britannique.

Toutes les opérations des associations provinciales qui sont de compétence provinciale ont été exclues des résultats. Comme le Parti libéral de Terre-Neuve et du Labrador et Le Parti libéral de l'Île-du-Prince-Édouard se consacrent essentiellement à des activités provinciales, ils n'ont pas de dépenses fédérales et ont donc été exclus de ces états financiers.

En vertu de la *Loi électorale du Canada*, les associations de circonscription locales (les « associations ») sont inscrites de façon indépendante auprès d'Élections Canada et elles doivent déposer des états financiers distincts auprès d'Élections Canada. En conséquence, les présents états financiers ne comprennent pas les activités des associations de circonscription. L'Association libérale du Yukon, l'Association libérale des Territoires du Nord-Ouest et l'Association libérale du Nunavut sont inscrites auprès d'Élections Canada à titre d'associations de circonscription et, par conséquent, leurs activités ne sont pas prises en compte dans les présents états financiers consolidés.

Les présents états financiers comprennent les chiffres correspondants du bilan et des résultats du Parti pour l'exercice 2003 de la même façon que pour l'exercice 2004.

Utilisation d'estimations

La préparation des états financiers conformément aux principes comptables généralement reconnus du Canada exige que la direction procède à des estimations et formule des hypothèses qui influent sur les montants constatés de l'actif et du passif ainsi que sur la présentation des éléments d'actif et de passif éventuels aux dates des états financiers et sur les produits et les charges constatés pour les exercices visés. Les résultats réels pourraient différer de ces estimations.

Trésorerie et équivalents de trésorerie

La trésorerie et les équivalents de trésorerie sont constitués de placements liquides dont l'échéance initiale à la date d'acquisition est d'au plus 90 jours. Ces placements sont comptabilisés au coût, qui se rapproche de la juste valeur.

Constatation des produits

Les contributions sont comptabilisées à titre de produits au moment où elles sont reçues ou à recevoir si le montant à recevoir peut être estimé au prix d'un effort raisonnable et que son recouvrement est raisonnablement sûr.

L'allocation gouvernementale est calculée en fonction du nombre de votes que le Parti a obtenus aux élections générales selon un taux approuvé par vote valide. L'allocation est comptabilisée au moment où elle est reçue ou à recevoir si elle peut être estimée au prix d'un effort raisonnable et que son recouvrement est raisonnablement sûr.

Les contributions et les frais de participation aux congrès et aux assemblées générales annuelles sont habituellement comptabilisés à titre de produits au moment où ils sont reçus par le Parti.

Les droits d'adhésion sont comptabilisés au moment où ils sont reçus.

Les paiements versés par les associations en vue d'assurer le fonctionnement du Parti sont comptabilisés au moment où ils sont reçus ou à recevoir si leur recouvrement est raisonnablement sûr.

Les remises par suite des élections sont comptabilisées dans l'exercice au cours duquel les élections ont lieu si le montant à recevoir peut être déterminé et que son recouvrement est raisonnablement sûr. La demande de remise par suite des élections soumise par le Parti est établie selon l'interprétation que fait la direction des règlements d'application pertinents de la *Loi électorale du Canada*. Les montants réclamés doivent être vérifiés et acceptés par Elections Canada avant qu'ils puissent être recouvrés.

Les contributions reçues sous forme de fournitures et de services, à l'exception du travail bénévole, sont constatées à la juste valeur. Sauf lorsqu'il est requis aux termes de la *Loi électorale du Canada*, la valeur du travail bénévole n'est pas constatée dans les états financiers.

Immobilisations

Les immobilisations sont inscrites au coût et amorties selon la méthode linéaire sur leur durée de vie utile estimative comme suit :

Matériel d'imprimerie	5 ans
Mobilier et agencements	5 ans
Matériel informatique	3 ans
Améliorations locatives	5 ans

Avantage incitatif relatif à un bail

L'avantage incitatif relatif à un bail consiste en des améliorations locatives; il est reporté et amorti sur la durée du bail.

2 Instruments financiers

Les instruments financiers présentés dans le bilan comprennent la trésorerie, les comptes débiteurs, les comptes créditeurs et les emprunts bancaires à vue. La direction est d'avis que le Parti n'est pas exposé à des risques de crédit importants découlant de ces instruments financiers. La direction croit aussi que la valeur comptable de ces instruments se rapproche de leur juste valeur.

3 Emprunts bancaires à vue

Le Parti a des emprunts impayés auprès de diverses banques à charte. Ces emprunts portent intérêt à divers taux qui vont du taux préférentiel de la banque au taux préférentiel majoré de 2 %. Les emprunts sont garantis par une convention générale de garantie grevant les actifs de l'Agence et de certaines associations.

7 Passif éventuel

La Commission d'enquête sur le programme des commandites et les activités publicitaires a entendu des témoignages portant sur des irrégularités présumées commises par des représentants du Parti libéral dans le passé. Aucune réclamation n'a été faite contre le Parti, et la Commission n'est pas compétente pour juger des questions de responsabilité juridique. Il est prévu que la Commission déposera son rapport définitif en 2005. Il est possible que la Commission indique dans ce rapport le nom de personnes et d'organisations qui ont reçu des paiements de façon inopportune par suite de la présentation de demandes de paiement frauduleuses au Gouvernement du Canada. Comme les témoignages entendus par la Commission sont souvent contradictoires, le Parti est incapable dans la plupart des cas de déterminer avec certitude s'il a été le bénéficiaire de fonds obtenus de manière inappropriée par d'autres parties. Si la Commission devait établir que le Parti est le bénéficiaire de tels fonds, le Parti décidera s'il doit rembourser le Receveur général. Après la clôture de l'exercice, le Parti a volontairement déposé en fiducie la somme de 750 000 \$ afin de faciliter tout remboursement éventuel.

To the Chief Electoral Officer, Elections Canada

At the request of the Federal Liberal Agency of Canada, we have audited its Financial Transactions Return prepared in accordance with Section 424(2)(a), (b), (c), (f)(i) and (ii), (h), (i), (j) and (k) of the Canada Elections Act (the "Act") for the year ended December 31, 2004. This financial information is the responsibility of the management of the Federal Liberal Agency of Canada. Our responsibility, in accordance with Section 426(1) of the Act, is to express an opinion on this financial information based on our audit.

Except as explained in the following paragraph, we conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial information is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial information. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial information.

In common with many not-for-profit organizations, the Liberal Party of Canada, through the Federal Liberal Agency of Canada, derives contributions the completeness of which is not susceptible of satisfactory audit verification. Accordingly, our verification of these revenues was limited to the amounts receipted by the Agency and we were not able to determine whether any adjustments might be required to the amount of contributions reported.

In our opinion, except for the effect of adjustments, if any, which we might have determined to be necessary had we been able to satisfy ourselves concerning the completeness of the contributions referred to in the preceding paragraph, this financial information presents fairly, in all material respects, the contributions received and financial information required to be reported under the Act for the year ended December 31, 2004 in accordance with the provisions of Sections 424(2)(a), (b), (c), (f)(i) and (ii), (h), (i), (j) and (k) of the Act.

INDEPENDENT AUDITOR'S REPORT

To Elections Canada
Re: The Libertarian Party of Canada

I have audited the Registered Party's assets and liabilities and any surplus or deficit of The Libertarian Party of Canada as at December 31, 2004. This return is the responsibility of the Party. My responsibility is to express an opinion on this return based on my audit.

I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the return is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the return. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the return.

In my opinion, this return presents fairly, in all material respects, the assets and liabilities and any surplus or deficit of the Party as at December 31, 2004 in accordance with Canadian generally accepted accounting principles.

Rapport des vérificateurs

À l'agent principal du
PARTI MARIJUANA / MARIJUANA PARTY

Nous avons vérifié le bilan du PARTI MARIJUANA / MARIJUANA PARTY au 31 décembre 2004 et les états des résultats et évolution des actifs nets et des flux de trésorerie de l'exercice terminé à cette date. La responsabilité de ces états financiers incombe à l'agent principal du parti. Notre responsabilité consiste à exprimer une opinion sur ces états financiers en nous fondant sur notre vérification.

À l'exception de ce qui est mentionné dans le paragraphe ci-dessous, notre vérification a été effectuée conformément aux normes de vérification généralement reconnues du Canada. Ces normes exigent que la vérification soit planifiée et exécutée de manière à fournir l'assurance raisonnable que les états financiers sont exempts d'inexactitudes importantes. La vérification comprend le contrôle par sondages des éléments probants à l'appui des montants et des autres éléments d'information fournis dans les états financiers. Elle comprend également l'évaluation des principes comptables suivis et des estimations importantes faites par l'agent principal du parti, ainsi qu'une appréciation de la présentation d'ensemble des états financiers.

Le parti tire une part importante de ses produits de contributions pour lesquelles il n'est pas possible de vérifier de façon satisfaisante si elles ont toutes été comptabilisées. Par conséquent, notre vérification de ces produits s'est limitée aux montants comptabilisés dans les livres du parti et nous n'avons pu déterminer si certains redressements auraient dû être apportés aux montants des produits de contributions, de l'insuffisance des produits par rapport aux charges, de l'actif ou des actifs nets négatifs.

À notre avis, à l'exception de l'effet des éventuels redressements que nous aurions pu juger nécessaires si nous avions été en mesure de vérifier si les contributions mentionnées au paragraphe précédent ont toutes été comptabilisées, ces états financiers donnent, à tous les égards importants, une image fidèle de la situation financière du parti au 31 décembre 2004 ainsi que des résultats de ses activités et de ses flux de trésorerie pour l'exercice terminé à cette date selon les principes comptables généralement reconnus du Canada.

2 - CONVENTIONS COMPTABLES

Estimations comptables

Pour dresser des états financiers conformément aux principes comptables généralement reconnus du Canada, l'agent principal du parti doit faire des estimations et poser des hypothèses qui ont une incidence sur les montants présentés dans les états financiers et les notes y afférentes. Ces estimations sont fondées sur la connaissance que l'agent principal du parti possède des événements en cours et sur les mesures que le parti pourrait prendre à l'avenir. Les résultats réels pourraient être différents de ces estimations.

Constatation des produits

Les contributions monétaires et les adhésions sont constatées sur la base des encaissements. Les contributions non monétaires sont constatées à la juste valeur au moment où les biens ou les services sont reçus. Les autres produits sont constatés sur la base d'exercice.

Apports reçus sous forme de services

Le fonctionnement du parti dépend, en grande partie, du travail de membres bénévoles. Étant donné qu'il est difficile de déterminer la juste valeur des contributions reçues sous forme de services, le travail de ces bénévoles n'est pas pris en compte dans les états financiers.

3 - INFORMATIONS SUR LES FLUX DE TRÉSORERIE

Les variations d'éléments du fonds de roulement se détaillent comme suit :

	2004	2003
	\$	\$
Débiteurs	6 703	(5 835)
Créditeurs	(960)	(367)
	<u>5 743</u>	<u>(6 202)</u>

5 - JUSTE VALEUR DES INSTRUMENTS FINANCIERS

La juste valeur des actifs et des passifs à court terme se rapproche de la valeur comptable en raison de leur échéance rapprochée.

Rapport des vérificateurs

À la Direction du financement des élections
ÉLECTIONS CANADA

Nous avons vérifié le rapport financier du PARTI MARIJUANA / MARIJUANA PARTY, exigé en vertu de l'article 424 de la Loi électorale du Canada, pour l'exercice terminé le 31 décembre 2004. La responsabilité de l'information financière contenue dans ce rapport financier incombe à l'agent principal du parti. Notre responsabilité consiste à exprimer une opinion sur ce rapport financier en nous fondant sur notre vérification.

A l'exception de ce qui est mentionné dans le paragraphe ci-dessous, notre vérification a été effectuée conformément aux normes de vérification généralement reconnues du Canada, et destinée à nous permettre d'exprimer une opinion conformément au paragraphe 426(1) de la Loi électorale du Canada. Ces normes exigent que la vérification soit planifiée et exécutée de manière à fournir l'assurance raisonnable que le rapport financier est exempt d'inexactitudes importantes. La vérification comprend le contrôle par sondages des éléments probants à l'appui des montants et des autres éléments d'information fournis dans le rapport financier. Elle comprend également l'évaluation des principes comptables suivis et des estimations importantes faites par l'agent principal du parti, ainsi qu'une appréciation de la présentation d'ensemble du rapport financier.

Le parti tire une part importante de ses produits de contributions pour lesquelles il n'est pas possible de vérifier de façon satisfaisante si elles ont toutes été comptabilisées. Par conséquent, notre vérification de ces produits s'est limitée aux montants comptabilisés dans les livres du parti et nous n'avons pu déterminer si certains redressements auraient dû être apportés aux montants des produits de contributions, de l'insuffisance des produits par rapport aux charges, de l'actif ou des actifs nets négatifs.

À notre avis, à l'exception de l'effet des éventuels redressements que nous aurions pu juger nécessaires si nous avions été en mesure de vérifier si les contributions mentionnées au paragraphe précédent ont toutes été comptabilisées, ce rapport financier donne, à tous les égards importants, une image fidèle de la situation financière du parti au 31 décembre 2004 ainsi que des résultats de ses activités et de ses flux de trésorerie pour l'exercice terminé à cette date selon les principes comptables généralement reconnus du Canada.

RAPPORT DU VÉRIFICATEUR

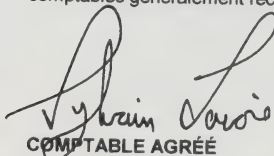

Au directeur général des élections du Canada

À la demande du Parti Marxiste-Léniniste du Canada, j'ai vérifié son rapport financier en vertu de La Loi électorale du Canada pour l'exercice terminé le 31 décembre 2004. La responsabilité de ce rapport financier incombe à la direction du parti Marxiste-Léniniste du Canada. Ma responsabilité consiste à exprimer, en vertu de l'article 426(1) de la Loi, une opinion sur ce rapport financier en me fondant sur ma vérification.

À l'exception de ce qui est mentionné dans le paragraphe ci-dessous, ma vérification a été effectuée conformément aux normes de vérification généralement reconnues du Canada. Ces normes exigent que la vérification soit planifiée et exécutée de manière à fournir l'assurance raisonnable que les états financiers sont exempts d'inexactitudes importantes. La vérification comprend le contrôle par sondages des éléments probants à l'appui des montants et des autres éléments d'information fournis dans les états financiers. Elle comprend également l'évaluation des principes comptables suivis et des estimations importantes faites par la direction, ainsi qu'une appréciation de la présentation d'ensemble des états financiers.

Comme c'est le cas dans de nombreux organismes sans but lucratif, le parti tire une fraction importante de ses produits de contributions pour lesquelles il n'est pas possible de vérifier, de façon satisfaisante, si elles ont toutes été comptabilisées. Par conséquent, ma vérification de ces produits s'est limitée aux montants comptabilisés dans les livres du parti et je n'ai pas pu déterminer si certains redressements auraient dû être apportés aux montants des contributions reçues, de l'excédent des produits sur les charges, de l'actif ou de l'actif net.

À mon avis, à l'exception de l'effet des éventuels redressements que j'aurais pu juger nécessaires si j'avais été en mesure de vérifier si les contributions mentionnées au paragraphe précédent ont toutes été comptabilisées, ce rapport financier donne, à tous les égards importants, une image fidèle de la situation financière du parti au 31 décembre 2004 ainsi que des résultats de son exploitation et de ses flux de trésorerie pour l'exercice terminé à cette date selon les principes comptables généralement reconnus du Canada.

AUDITOR'S REPORT
(Pursuant to the Canada Elections Act)

To the Natural Law Party Fund
Chief Agent of the Natural Law Party of Canada

I have audited the Natural Law Party of Canada's Financial Transactions Return and Trust Fund Return for the period from January 1, 2004 to January 23, 2004, the statement of Assets and Liabilities as at January 23, 2004 and the statements of Revenues and Expenses and Deficit for the period then ended. These statements are the responsibility of the Chief Agent of the Party. My responsibility is to express an opinion on the statements based on my audit.

Except as explained in the following paragraph, I conducted my audit in accordance with Canadian generally accepted auditing standards and the requirements of Section 426(1) of the Canada Elections Act. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial information is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial information. An audit also includes assessing the accounting principles used and significant estimates made by the Chief Agent of the Party, as well as evaluating the overall presentation of the financial information.

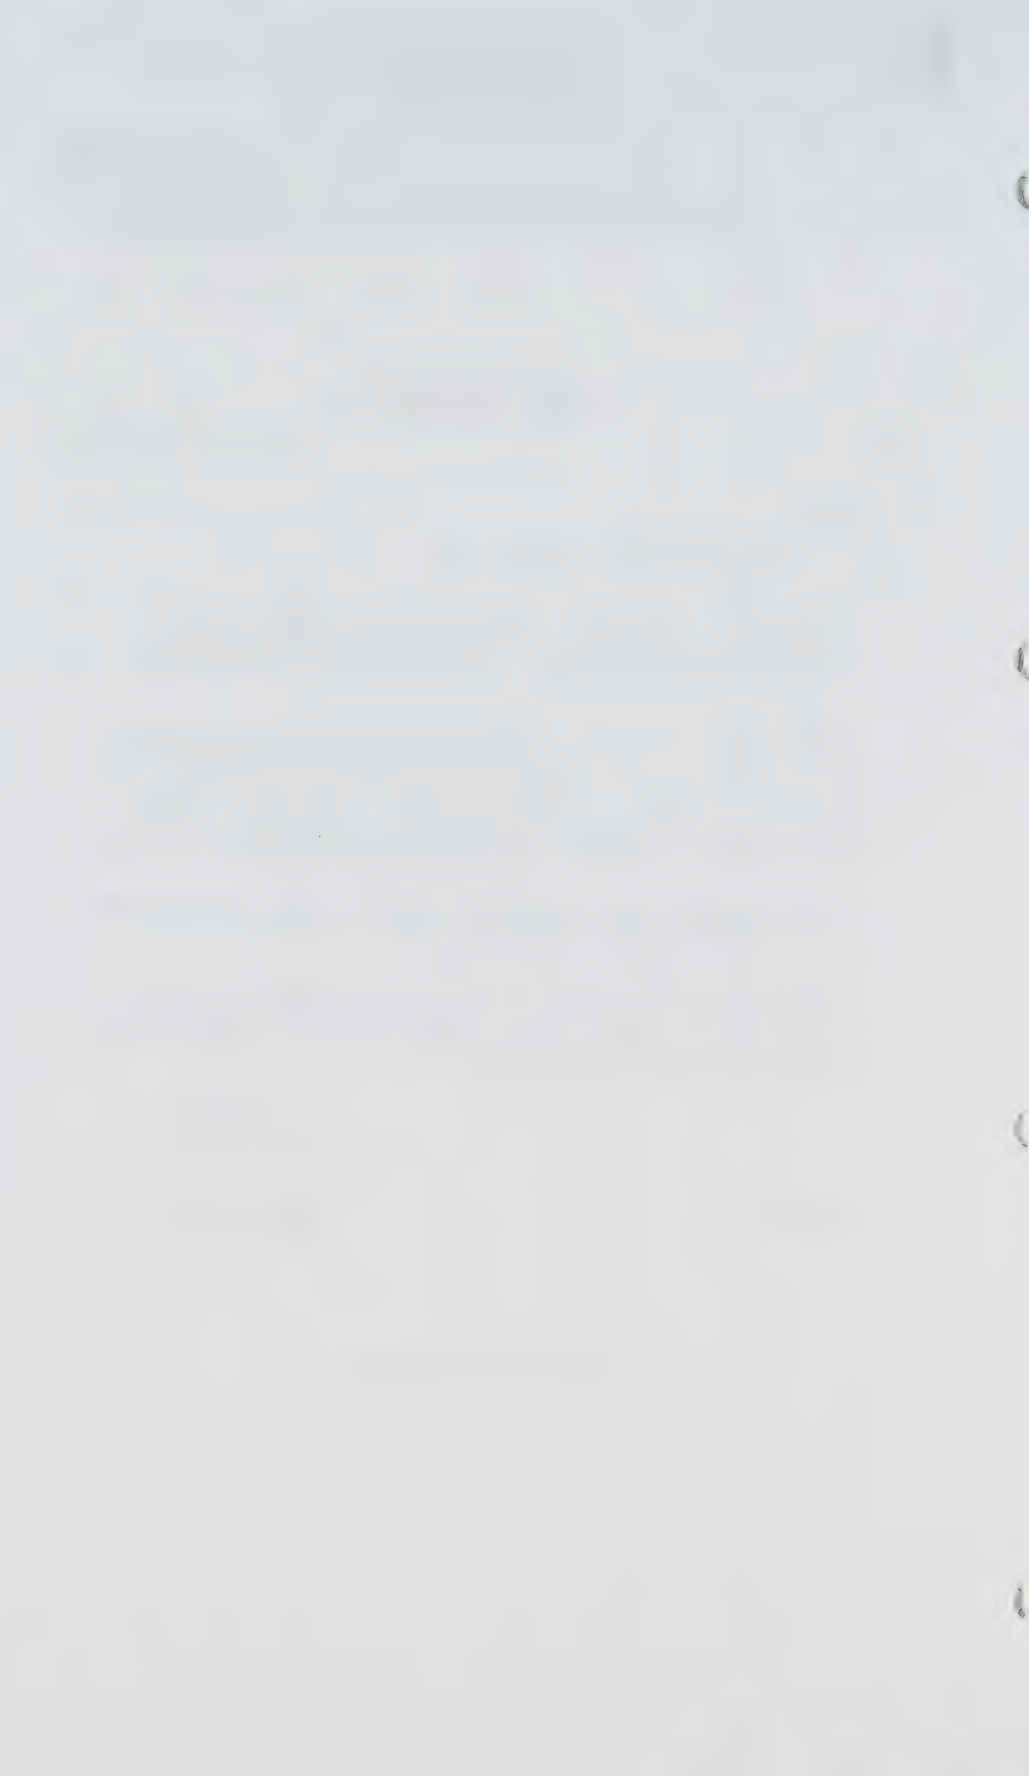

The Act does not require me to report, nor was it practicable for me to determine, that the accounting records include all transactions of the Party and, thus, my audit was not designed to determine the extent of omissions, if any, from the accounting records.

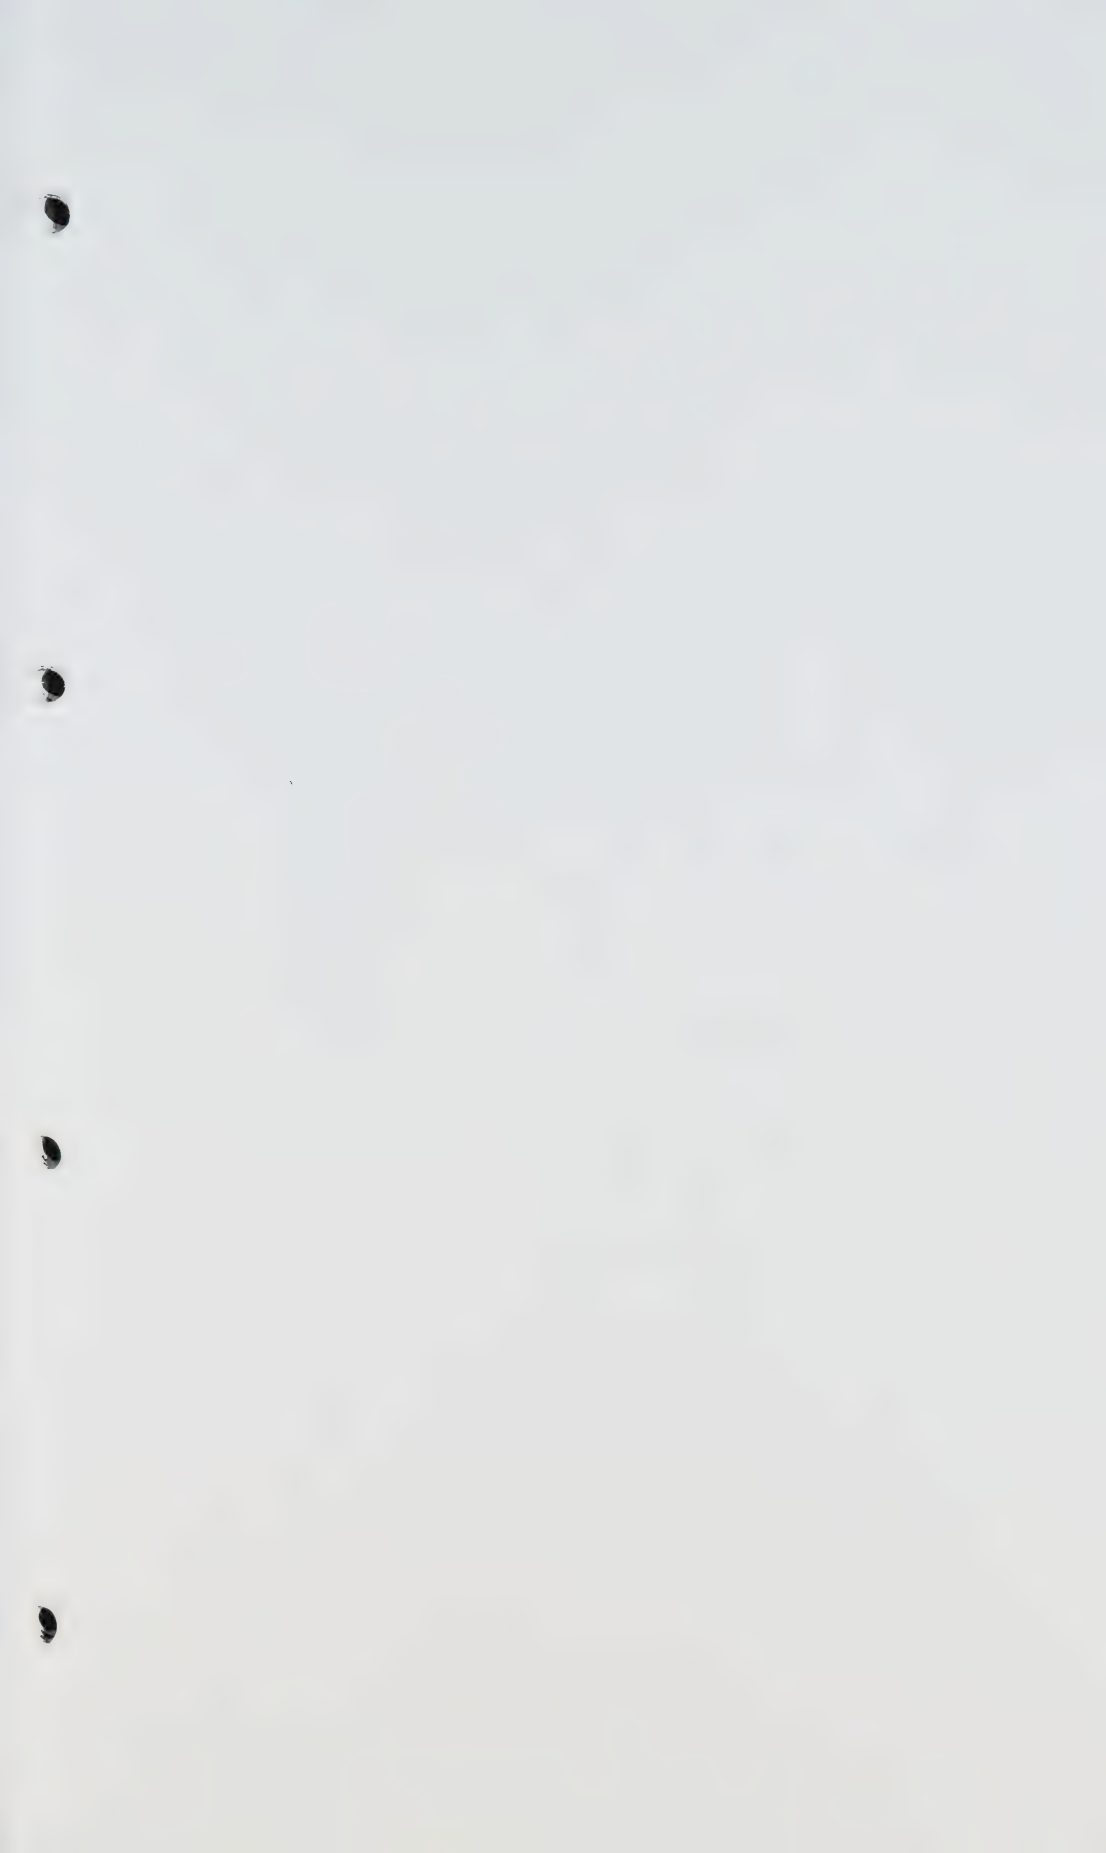

In my opinion, the Financial Transaction Return, Trust Fund Return, statements of Assets and Liabilities, Revenues and Expenditures and Deficit of the Natural Law party of Canada present fairly, in all material respects, the information contained in the accounting records on which the returns are based in accordance with the accounting requirements of the Canada Elections Act and the accounting guidelines issued by Elections Canada.

**Auditors' Report on Registered Party's Return Respecting
Financial Transactions Pursuant to the *Canada Elections Act***

To Macdonald-Cartier PC Fund, Chief Agent for Progressive Canadian Party,

In accordance with Section 426.(1) of the *Canada Elections Act*, which requires an audit of the Financial Transactions Returns of registered parties, we have audited the Financial Transactions Return of the **Progressive Canadian Party**, prepared in accordance with the accounting requirements of Sections 415 through 435.05 of the *Canada Elections Act* and the Elections Canada's *Registered Party Handbook*, for the fiscal period from May 29, 2004, the date of registration, to December 31, 2004, including the Statement of Assets and Liabilities and the Statement of Revenue and Expenses set out in Part 4 of the Return, prepared in accordance with Canadian generally accepted accounting principles as required by Section 424.2(f) and (g) of the *Act*. This financial information is your responsibility as Chief Agent for the party. Our responsibility is to express an opinion on this financial information based on our audit.

Except as explained in the following paragraph, we conducted our audit in accordance with Canadian generally accepted auditing standards, which require that we plan and perform an audit to obtain reasonable assurance whether the financial information is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial information. An audit also includes assessing the accounting principles used and significant estimates made by the Chief Agent, as well as evaluating the overall presentation of the financial information. The *Act* does not, however, require us to report, nor was it practicable for us to determine, that the accounting records include all transactions relating to the Organization.

Due to the inherent nature of the transactions of registered parties, the completeness of contributions and other revenue and expenses is not susceptible to satisfactory audit verification. Accordingly, our verification of these amounts was limited to the amounts recorded in the Organization's accounting records.

In our opinion, the Financial Transactions Return of **Progressive Canadian Party** presents fairly, in all material respects, the information contained in the financial records on which it is based in accordance with the accounting requirements of the *Canada Elections Act* and the Elections Canada's *Registered Party Handbook*. Also in our opinion, the Statement of Assets and Liabilities and the Statement of Revenue and Expenses set out in Part 4 of the Return, present fairly, in all material respects, the financial position of the Organization as at December 31, 2004 and its revenue and expenses for the fiscal period then ended in accordance with Canadian generally accepted accounting principles.

Further, we report that the amounts shown in the Statement of Revenue and Expenses set out in Part 4 of the Financial Transactions Return for total revenues and total expenses are \$4,375 and \$4,326 respectively.
